

FRENCH CONVERSATION

We could do with some more people joining us! We meet on the third Monday of the month from 2-3pm in Grange Institute. We split into pairs so that everyone has a chance to speak and listen to each other, then swap partners after 20 minutes or so to have (often the same) conversation with someone new. Some months we choose a topic, such as holidays, family or hobbies and let people know in advance. This can give people the chance to prepare something of what they will share, or research key vocabulary. However, the aim is not to give a polished performance, but to engage in genuine conversation.

Skill levels vary within the existing group, from a native French speaker through those who have taught French or who have property in France, to those whose French is long buried since school days.

All are welcome! The charge for using the Institute is £2 a session, or you can pay £12 for the year starting in February when you renew your u3a membership.

Please contact me if you would like to find out more, or come along on Monday, September 15th. Merci et au revoir.
