

## **LUNCH GROUP**

On the 30th May my group ventured to the Abbey House Hotel in Barrow which is situated in 14 acres of grounds near to Furness Abbey.

A party of twelve, we were seated in the Great Hall which was very impressive. We were served an excellent lunch and everyone enjoyed the ambience of the sandstone building designed by Sir Edwin Lutyens, who also remodelled Lindisfarne Castle, the Cenotaph in Whitehall and many others. It was designed in 1910 and built in 1914. It originally was the home of Commander Craven, Chairman of Vickers Ship Building.
