

LOCAL EXPLORERS

Many thanks to Susan, Janet, Roger, Pauline, Jane, & Alan who came in person to our planning meeting willing to volunteer, plus those who made contact via email.

Our outings for the year which are organised, or in the planning stage, include a range of locations in our local area covering historical, geographical and cultural aspects. Grizedale forest, the longest yarn at Rheged, guided walks, museums, Bluelights hub and Lancaster Grand Theatre, are all outings to look forward to in 2026 ending of course with our Christmas lunch.

After a very successful 2025, due to our excellent group of volunteer leaders, let's hope 2026 is as successful.

Liz Jackson Co-ordinator
